

Plot 25, Brent Cross, London Student Accommodation

This project, delivered in partnership with Fusion Students and Cheyne Capital, provides 662 luxury private rooms as part of the ambitious Brent Cross Town masterplan, setting a new benchmark for purpose-built student accommodation in North London.

The development comprises three interconnected blocks rising from 9 to 22 storeys and is packed with world-class amenities. Students will benefit from a basketball court, boxing studio, wellness spaces, cinema, e-sports arena, karaoke and social lounges, as well as study rooms and community spaces. All of this is delivered within a design-led, high-quality environment, offering students a home that enriches and enhances their university experience.
