

Hyde House Redevelopment, London

Hyde House is a landmark 12 storey 1962 office block in Hendon. JJ Rhatigan was engaged to undertake an extensive upgrade, refurbishment and conversion of existing office accommodation into new offices, retail space, hotel and restaurant.

Client
Executive Investments

Architect
Amos Architecture

Value
£8.2 million

Commercial space comprised offices and retail units at ground floor and a range of refurbished offices from self contained suites to entire floors on the upper levels 6 - 11. The project involved live occupancy of the upper commercial levels throughout construction.
