

JJ Rhatigan & Company is one of Ireland's leading Design & Build contractors with offices in Galway, Dublin, Cork, Sligo and London and draws on more than 60 years of experience to deliver the highest levels of quality, safety and technical expertise to our clients in the Education sector.

At JJ Rhatigan & Company, we specialise in education buildings across all stages of the learning spectrum from pre-schools, primary and secondary schools, right through to universities and higher education buildings. We pride ourselves on our ability to bring architectural designs to life and on our track record of delivering high quality projects for the benefit of students, their families and the local community.

The longevity of our business and the communities in which we operate are of significant importance to us. The dedication of our people and the shared values which unite us give our partners and clients the confidence to trust us and do business with us repeatedly.
