Sport & Leisure

Client
Athlone Institute of Technology

Architect
OCA Architects

Project
AIT International Sports Arena

Value
€10 million

Description
This project involved the construction of a two and a half storey Multi-Sport facility building of 12,343m² which includes: an indoor athletic track & field auditorium with a 200m banked running track and spectator seating for 1500 persons; and elevated athlete warm-up area; a 500 person outdoor spectator stand overlooking the existing 400m outdoor track & field facility; Gymnasium and high performance training rooms; Medical centre and support rooms.

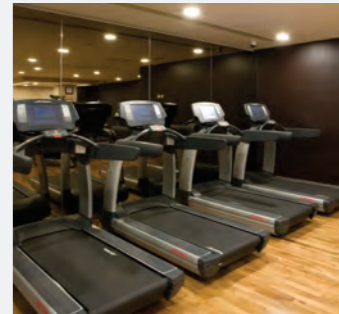

Client
St. Attracta's Community College

Architect
Reddy Architecture + Urbanism

Project
St. Attracta's Community College - All weather pitch and leisure facilities, Sligo

Value
€17 million

Description
This greenfield 12 acre site consisted of school, gymnasium and outdoor sports facilities to accommodate 650 students and was constructed in less than 12 months. Features of the project included all weather pitch, and leisure facilities.

Client
Gallico Developments

Architect
Murray O'laoire

Project
Sheraton Hotel & Leisure, Athlone

Value
€50 million

Description
The project comprised of a hotel tower on a two-storey plinth. The basement of the building accommodates a spa and leisure centre comprising changing areas, treatment areas, a tepidarium and an extensive retail area. A number of the treatment rooms are expressed as copper boxes and dramatically cantilevered into a double-height pool hall.

Client
Mayo County Council

Architect
Newenham Mulligan & Associates

Project
Claremorris Swimming Pool & Leisure Centre

Value
€6 million

Description
The existing swimming pool building was demolished to make way for the construction of the new facilities (2,100m²) including a fitness gym & studio, water spa, sauna and steam room, associated changing facilities and ancillary accommodation.

Client
McGarrell Reilly in partnership with Dublin City Council

Project
Block 3, Charlemont Regeneration, Dublin

Value
€27.2 million

Description
Block 3, Charlemont Regeneration consists of 79 social housing units and community amenities, including multi-purpose sports facilities on Charlemont Street, Dublin 2. JJ Rhatigan delivered this exceptional development ahead of schedule. This project was awarded Residential Project of the Year 2018.

Client
MOPD

Architect
Gabbitas Gill Partnership

Project
McWilliam Park Hotel, Claremorris, Mayo

Value
€14 million

Description
As part of a €14m, three storey, 103 bedroom hotel development, key features of its sports and leisure facilities include a 25m swimming pool, Jacuzzi, steam room, sauna, gym and treatment spa. The bathrooms for all the bedrooms are offsite constructed pods. They were delivered and installed in position as the floors were completed on each level.

Client
Tuam Leisure Centre, Galway

Architect
S&P Architects

Project
Tuam Leisure Centre

Value
€6.5 million

Description
The construction of the new leisure centre included a pool hall, gym, sauna & steam room, spa area and aerobics studio. The pool hall has three swimming pools and a changing area on the ground floor with a seating capacity of 150 people overlooking the pools.

Client
Galway Racecourse Committee

Project
Galway Racecourse Entrance Building, Galway

Value
€9 million

Description
The Millennium Stand refurbishment involved the demolition of the existing external wall and the realignment of new full height glazing. The project also included the construction of a new entrance building (250m²) and the refurbishment of the 3rd floor of the Millennium stand (200m²) at the Galway racecourse.

Client
Dublin City University

Project
St Patrick's College Sports Hall, DCU Drumcondra, Dublin

Value
€37m

Description
As part of a €37m campus development comprising of 2 new teaching blocks with lecture theatres, workshops and cafe, the project also involved a new sports building of approximately 960m², including sports hall, gym and changing facilities.
