

## Hyde House Redevelopment, London

Hyde House is a landmark 12 storey 1962 office block in Hendon. JJ Rhatigan was engaged to undertake an extensive upgrade, refurbishment and conversion of existing office accommodation into new offices, retail space, a hotel and a restaurant.

Commercial space comprised of offices and retail units at ground floor and a range of refurbished offices from self contained suites to entire floors on the upper levels 6 – 11. The project involved live occupancy of the upper commercial levels throughout construction.
