

Premier Inn Brixton, London

Design & Build mixed-use project which consisted of the refurbishment of an existing building and construction of a two storey upward extension to form an 89 Bedroom Hotel, restaurant and ancillary dining room in the heart of Brixton.

CLIENT

Midas Limited

ARCHITECT

Boyesrees Architects / AXIOM

VALUE

£8.5 million

Works also included the partial conversion of the existing vacant 1st floor space which included enabling works for a future H&M retail fit out, as well as fire escape provisions from the new extension and for a neighbouring property.
