

Clybaun Local Authority Housing Development, Galway

This Local Authority Housing Scheme consists of 70 social, affordable and voluntary single and 2 storey dwelling of 2 and 3 bedroom units along with a Crèche & Community Centre. It was built on a sloping site, with maximum use of existing terrain.

The 2 bed houses were constructed with the bedrooms at basement below road level, with retaining walls at road level. A concrete stairs to back gardens was constructed between those houses.
