

## Goldcrest Village, NUI Galway Student Accommodation, Galway

*The works comprised of the construction of a new student accommodation building to include 429 bedspaces in 57 units with communal living area in each unit. The development will be located west of the existing Corrib Village Student Accommodation.*

The development consists of no. 5 storey block and 3 no. 3 & 4 storey blocks, with associated courtyards, pedestrian access, vehicular access and drop off/turning facilities, including a bus shelter and parking facilities for the less mobile.

The development included intensive site landscaping & boundary treatment, footpath links to campus networks, building signage, totem signage/sculpture, connections to services and all associated works. The development was constructed on a green field site on the north campus of the University at Upper Newcastle Rd., Galway.
