

Crown Trading Centre, Hayes (CTC)

The Crown Trading Centre Hayes, is a £109 Million scheme located in West London and will consist of 407 apartments across six buildings and five shell and core commercial units, podium areas in each building at the first floor level with a car park underneath the podium.

In totality, the development comprises 407 apartments, distributed among Build to Rent, Affordable, and Shared Ownership, featuring a variety of duplex units. The scope of work encompasses all facets of the complete interior fit-out of apartment buildings, including the external construction and landscaping.

The breakdown of the residential units is as follows:

- Build To Rent: 318 homes
- Affordable Rent: 54 homes
- Shared Ownership: 35 homes
