

227 Wood Lane, White City, London

Women's Pioneer Housing is London's largest specialist housing association for women. To support their services and continued mission, this development at Wood Lane will provide a new group Head Office, affordable homes and co-living accommodation with shared amenities.

The development provides exemplary affordable housing for women in need, a new charity office, and co-living accommodation for Londoners in the heart of White City.

Key elements:

- Innovative mixed-tenure scheme
- 60 new high-quality affordable homes
- New office for Women's Pioneer Housing
- 209 co-living apartments with shared amenities
