Congregation

Architect:
McDonnell & Dixon

Quantity Surveyor:
Healy Kell & Partners

Duration:
December 2000 - May 2002

Value:
£2.7m

Presbyterian Church, Adelaide Road, Dublin

Description

The church extends over ground and first floor. The second floor is an educational suite with 4 dormer apartments on the third floor.

The rear of the church was demolished and the front under-pinned to allow construction of a new basement and church area requiring major temporary propping works. The front of the church was completely restored in compliance with the Planning Preservation Orders. The building holds a crèche in the basement.
