

## Premier Inn Brixton, London

Design & Build mixed-use project which consisted of the refurbishment of an existing building and construction of a two storey upward extension to form an 89 Bedroom Hotel, restaurant and ancillary dining room in the heart of Brixton.

**Client**  
Midas Limited

**Architect**  
Boyesrees Architects /  
AXIOM

**Value**  
€10.4 million

Works also included the partial conversion of the existing vacant 1st floor space which included enabling works for a future H&M retail fit out, as well as fire escape provisions from the new extension and for a neighbouring property.
