New work opportunities: Meet the Buyer events

Prime Balfour Beatty is delivering 14 primary care centres across Ireland which supports the Government's commitment to developing modern health services with an integrated, multi-disciplinary model of care. The project will be delivered by a consortium of companies including Balfour Beatty Construction, JJ Rhatigan and Co, and Aramark.

Local procurement and promoting supply chain opportunities to SMEs and social enterprises that are particularly interested in engaging with this project is key. Ensuring that your business understands what opportunities are available and how to successfully compete for the work in the future is an important element of this project. In partnership with the NDFA, HSE and Enterprise Ireland, we are running a series of 'Meet the Buyer' events to give you the best opportunity to be selected for the available work.

By registering to attend you will be guaranteed the opportunity to meet one of our procurement team face-to-face. Additionally, we will support your business to complete our supplier questionnaire which determines suitability for work with the project delivery team.

VENUES & DATES:

Dublin Red Cow Moran Hotel	Tues 15 Sept 2015
Waterford Tower Hotel	Wed 16 Sept 2015
Claremorris McWilliam Park Hotel	Fri 18 Sept 2015

Sessions starting at 8:30am, 10:30am and 12:30pm at all venues
