

Callis Yard, Woolwich

Callis Yard is the new build development of 152 apartments of mixed tenure consisting of 117 private dwellings, 14 shared ownership dwellings and 18 rented apartments, as well as the conversion of a heritage listed stable block into three townhouses.

Client
Callis Yard Property

Architect
KDS Associates

Value
£35 million

The development features a child play area, business centre and private gym for the residents. The project will contain a mainly green roof area with the plant rooms, bin and bicycle store located in the basement of the building.
