

Ballymote Primary Care Centre

This 2550 sqm Primary Care Centre features a range of community based services such as public health nursing rooms, training facilities, staff facilities and offices. The ground floor main reception has a children’s play area complete with seating and access to an external soft surface play area.

Within the external grounds is a private sensory garden for the mental health patients. There are 59 public car parking spaces, and two ambulance bays are also provided.

The Balfour Beatty JJ Rhatigan Primary Care CJV is responsible for the design and construction of a total of 14 Primary Care Centres across Ireland, of which Ballymote is one.
