

## Higher Education Bundle 1 - six locations nationwide

*The Higher Education Bundle 1 focuses on STEM, ICT, Engineering and Life Sciences facilities at 6 Technological Universities in various locations around Ireland. The buildings are being delivered by Public Private Partnership (PPP).*

They are located in the Technological University Dublin (TU Dublin) Tallaght and Blanchardstown campuses; Munster Technological University (MTU) campuses in Cork and Tralee, the Athlone campus of Technological University of the Shannon (TUS) and in the Institute of Art, Design and Technology (IADT), Dún Laoghaire.

When all six buildings are completed, they will comprise circa 38,060m<sup>2</sup> of additional building space at the campuses and will cater for 5,147 additional student places. All six buildings are targeting a BREEAM "Excellent" rating.
